Dear Community Partner,

In January 2023, our family experienced the unimaginable loss of our son, Cole Borges. Cole had a heart for serving others. Whether volunteering in the community, encouraging a friend, or lending a helping hand, he lived with kindness, compassion, and generosity. Although Cole's life was cut far too short, his legacy continues to shine through the work of the Cole Borges Memorial Scholarship Fund.

Our mission is to honor Cole's life by investing in the future of deserving students while promoting hope, kindness, and mental health awareness. Through scholarships, community events, and advocacy, we strive to inspire others to support one another, break the stigma surrounding mental health, and remind everyone to **#CheckOnYourFriends**.

On **Saturday, September 26, 2026**, we will host our **4th Annual Moon & Stars 5K Run/Walk**, along with our inaugural **Little Dipper Wiener Dog Dash and Wiener Walk Market**. These events bring together families, local businesses, vendors, and our community for a day of fun while raising scholarship funds and promoting hope, kindness, and mental health awareness. We are also grateful to partner with the Jackson County Tourist Development Council (TDC), whose partnership is helping us grow this event into a memorable annual tradition for our community.

Last year's event welcomed over 200 runners, participants, families, volunteers, sponsors and community members, and we look forward to an even larger turnout this year. This growing event provides sponsors with meaningful exposure while supporting scholarships and mental health awareness in our community.

Because of the incredible generosity of businesses like yours over the past three years, we have proudly awarded 20 scholarships totaling \$20,000 to graduating seniors pursuing college, trade school, and vocational education. Each scholarship represents an investment in a student's future and a lasting tribute to Cole's belief in helping others achieve their dreams.

We invite you to become a sponsor of this year's event. Your support helps provide scholarships for local students while continuing our mission of promoting hope and mental health awareness. If a sponsorship level isn't the right fit, we are grateful for donations of any amount, in-kind contributions, supplies, or simply displaying our event flyer at your business. Every act of generosity makes a difference.

From the bottom of our hearts, thank you for considering becoming part of Cole's legacy. Every sponsorship, donation, volunteer, and act of kindness helps ensure that Cole's light continues to shine through the lives of students in our community. Together, we can create opportunities, inspire hope, and remind others to **#CheckOnYourFriends**. We hope you'll join us on September 26th as we celebrate Cole's life, support local students, and come together for a day filled with hope, community, and purpose.

With heartfelt gratitude,

Stacy Borges & Family

Cole Borges Memorial Scholarship Fund
